THE EVENT AND EVALUATION

Acceptance:

Vehicles must be parked in working condition for technical and organizational acceptance. The organizer has the right, in case of serious technical defects, the vehicle is excluded. Competitive crew are throughout the journey persons registered in the starting list, any changes must be reported to the organizer for acceptance.

Upon receipt of the vehicle must be submitted:

- Driving license
- Proof of payment of compulsory insurance
- Vehicle registration certificate with a valid MOT or Certificate of vintage car with valid attestation.
- Proof of payment of the fee

Designation of participants.

Upon receipt of each crew member will receive a Subscriber Identity race. This designation entitle to entry sites reserved for the event. The designation also serves to establish entitlement to refreshments and meals. For the above reasons, it is necessary to have designation during the duration of the event.

Participants markings:

Each vehicle has a starting number assigned by the organizer - two stick figures on both sides of the vehicle and plastic number on the front of the vehicle. The crew is required to have a vehicle bearing the race numbers throughout the race. Unmarked vehicle will not be evaluated. Cars are order by the starting numbers.

Stages:

The competition takes place in three stages. The track is kept out of the speedway. Goes in full traffic according to the itinerary, which receives the crew at the start of each stage.

Passage Control (PC)

Part of the race are checkpoints, or obligatory stops and arrival times to set individual points on the track.

Transit checkpoints are located on the route indicated by the blue flag and indicated in the itinerary. During the transit control, the rider must ride through and confirm the passing time **in 5-minute time limit, starting from the specified time, not before**. For coming before to PC is 500 points penalization, for every other minute, for exceeding 5 minute limit is penalization of 300 penalty points for every other minute. For not passing the PC is 1500 penalization.

On the track they are placed hidden checkpoints aimed at monitoring compliance with the route according to the itinerary. For not passing a hidden checkpoint is the rider penalized by 1500 penalty points.

Special and measured sections:

During 1.V I. Stage Prague – Bratislava is on Masaryk circuit special test (disassembly and retrofitting of any wheel) with the measured time: 1 second = 10 p.p.

During the disassembly and retrofitting you can use only your own wheel key, for lifting your car you can use your own device or mobile hoist prepared by organizer.

2. V II stage Bratislava – Piešťany – Bratislava is on closed track „Pezinská Baba“ a ride of regularity consisting of two runs measured to an accuracy of 0.01 seconds. The difference between the two rides is rated tr. points: 0.01 seconds = 15 p.p.

The average speed at 55 km / h is strictly limited on the measured portion of this regularity drive. If the average speed is exceeded in the first lap, the crew will not be allowed to enter the second measured ride. When exceeding this maximum permitted average speed in the second measured ride, the crew will be penalised by 5,000 p. points.

Information about this special test will be announced during special night in Pálffy's palace.

During the event is allowed to use tachometers which is part of historical vehicle, experiences, or intuition, human or unhuman skills.

We rely on your sport spirit and the sense for Fair Play, in whose name the participants will not use other than authorized equipments.
