## SCHEDULE

Wednesday 9.6. 2021

### Scrutineering:

The vehicles must be presented for technical and organizational acceptance in a serviceable condition. The organizer has the right, in case of serious technical defects, to exclude the vehicle. The competition crew are consisting of persons registered in the start list for the entire duration of the ride, any change must be reported to the organizer at the check-in.

### Time of scrutineering:

All crews will be notified by e-mail in advance of the exact time of the acceptance when they are supposed to come at the Autoclub of the Czech Republic building in Opletalova Street for their acceptance. Due to the demanding organization of car cutting according to the start numbers, the crews are obliged to observe these times unconditionally.

During scrutineering of the vehicle is required to submit:

1. Driving license
2. Proof of payment of compulsory insurance
3. Vehicle registration certificate with a valid MOT or Certificate of vintage car with valid attestation.
4. Proof of payment of the fee

### Marking of competitors:

Upon receipt of each crew member will receive a Subscriber Identity race. This designation justifies to entry sites reserved for the event. The designation also serves to establish entitlement to refreshments and meals. For the above reasons, it is necessary to have designation during the duration of the event.

### Marking of vehicles:

Each vehicle has a starting number assigned by the organizer - two stick figures on both sides of the vehicle and plastic number on the front of the vehicle. The crew is required to have a vehicle bearing the race numbers throughout the race. Unmarked vehicle will not be evaluated. Cars are order by the starting numbers.

13:00 – 17:00 Scrutineering will take place in Opletalova street in front of the automobile club, where participants, the refreshment will also be provided during scrutineering and breakfast before the start of the competition. Vehicles admitted to the competition until the morning 13. 8. are parked in front of ACCR in a fenced area guarded by security. We request the crews, who consider it necessary to cover their car for the night before the start, to do so only after 9 pm. The vast majority of participants are looking forward to take photos of their car, standing in front of the Autoclub, among others, at the historic starting point of the interwar years of the race 1000 miles of Czechoslovakia. By covering your car, you will deprive yourself of this pleasure and spoil the photos of others.

Trailers for vintage cars will park in limited in numbers, as in previous years, parked in the outdoor area behind the main building NTM, Kostelní street 42, Prague 7 or in properties of NTM in areal of Masaryk Railway station.

- 17:15 End of the administrative and technical part of scrutineering

20:30 Final banquet and official ceremony

Times can be adjusted as required by the organizer. Time of scrutineering and the start of the first stage is definitive.

### Stages:

Competition is divided into 3 stages. The track is kept out of the speedway. Goes in full traffic according to the itinerary, which receives the crew at the administration check

### Rules of competition and ratings:

**ATTENTION:** for technical and organizational reasons, the whole competition is run in the same way as all previous years at a speed average of 45 km / h. On this average time of the passages of the individual time checks will also be calculated for all crews.

### Time Control (ČK) and Transit Control (PK):

Part of the race are checkpoints, or obligatory stops and arrival times to set individual points on the track. Time controls on the track are marked with a yellow target with a clock symbol. During the check, the crew must pass and have the time of the passage confirmed within a 5-minute limit starting from the set time, not earlier. The checkpoints are marked by target with symbol of stamp. You need to confirm passing through this checkpoint into your driving list. On track are hidden checkpoints, goal of this is keeping rules. For not passing through time, drive through or hidden checkpoint is penalized by 15 000 penalty points. Competitors will receive the specified transit times (departures) along with the driving card..

### Special tests:

1. During I. stage Prague - Bratislava will take place in the depot of the original Masaryk Circuit special test with measured time Description of evaluation of this test is included in Instruction attachments
2. During II. Stage is ride of regularity taking place on a closed track "Pezinská Baba" consisting of two runs measured to 0.01 seconds accuracy. The difference between the two runs is evaluated by penalty points. The average speed is strictly limited to 55 km/h for the measured section of this regularity ride. Information about this special test will be announced during special event in Pálfy's palace. Description of evaluations of this test are induced in Instruction attachments.
3. During III. stage Praha – Bratislava is special ride with measured times included. An evaluation of this regularity ride is given in the " Attached instructions".

### Announced categories:

4. To 750 ccm
5. To 1100 ccm
6. To 1 500 ccm
7. To 2 000 ccm
8. Above 2 000 ccm
9. Women's Cup for vehicles with only women crew
10. Category of brand teams (1 team = min 3 cars of same brand)

### Rating:

The winners in each category with crews with the best achieved result of the evaluated criteria - transit (time) checks, hidden checks, observance of specified breaks (departure from them), special examination in the depot of the Masaryk Circuit, ride of regularity to Pezinská Baba hill and other evaluations.

In each category, the drivers placed on the 1st - 3rd place win the glass trophy. The winner of each individual category will also receive brand wrist watches from special collection "1000 Czechoslovak miles 2021". The absolute winner of the competition wins the tournament cup with the names of all winners since the competition in 2010.

It is allowed to use only the instantaneous speed indicator (tachometer) which is a part of the historical vehicle, experience, intuition, natural and supernatural driver abilities. We rely on the sporting spirit and sense of Fair Play, in whose name participants will not use any means other than those permitted. The organizer is allowed during whole race to check if everything is used according rules.

### Protests:

The organizer accepts protests composed in advance 5 000 - CZK that is forfeited if the protest proves to be unjustified, or inconclusive. Against the decision of the organizer is no appeal.

### Towing service:

Throughout the race there are 4 towing vehicles, contacts on time card. The cars are towed only to nearest checkpoint (for example gas stations with parking lot). Due to the length of the track and the large number of participants, it is not possible to fulfill individual wishes to tow the car to the crew's home location.

### Refreshments:

During the race is provided refreshment on the stops during the race and after the finish of the stages.

### Accommodation:

All crews are accommodated from 10.6. to 12.6.2021 at the hotel Radisson Blu Carlton, Hviezdoslav square, Bratislava.

## SPECIAL REGULATION RELATING TO COVID-19

Given the current worldwide COVID-19 crisis, the organizers took the following hygienic-epidemiological measures. We demand their unconditional respecting and their violating can result in the exclusion of the crew from the race.

### COVID-19 measures:

It's requested to all competitors and accompanying staff to use a veil / respirator / scarf to protect the respiratory tract, via mouth and nose, in all interiors of buildings, restaurants, checkpoints, etc. in the Czech Republic. In the Slovak Republic, the use of this protection for the entire duration of this year is mandatory for all participants! Each of the participants in the race will receive a special edition of the respirator of 1000 Czechoslovak miles.

1. Before entering the buildings (car club, hotels, restaurants, etc.), to the common areas, each participant is obliged to disinfect his hands. Disinfection will be provided by the organizer.
2. During the scrutineering 19.6.2021 we are going to measure the competitors body temperature (with digital certified thermometer) and if temperature exceeds 37,5 °C the competitors will not be able to participate in the race 1000 Czechoslovak miles 2021.
